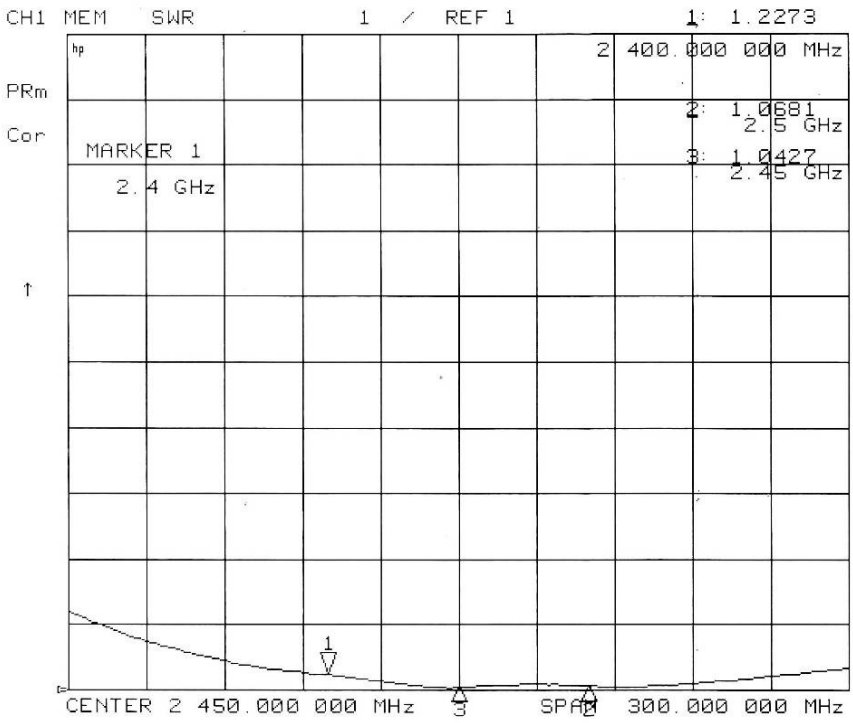
Model: RFC-GB-11-2400V-180

ELECTRICAL SPECIFICATIONS

Frequency Range----------	2400-2500 MHz
Impedance----------	50Ohm
VSWR----------	less than 1.5
Gain----------	11 dBi
Polarization----------	Vertical
Maximum Power Input-watts---------	100W
Horizontal Beam Width----------	180º
Lighting Protection----------	Direct Ground

MECHANICAL SPECIFICATIONS

Dimensions(L/W/D)----------	Ø66×450 mm
Weight----------	0.78 kg
Radiating Element Material----------	Cu
Radome Material----------	Fiberglass
Color----------	Black
Connector----------	N-Female
Hold Pole Diameter----------	Ø30-Ø40 mm
Rated Wind Velocity----------	200 km / h


VSWR:
